1. Sign In

2. Construction Schedule/Progress

- Beach
 - Spicer will contact Larry Clark to notify him of the condition of his beach.
- Hand Rails/Trash Racks
 - The hand rails and trash racks were delivered to Eagle’s shop on Monday. Eagle will call Spicer to set up an inspection.
- Interior Finish
 - Lansing Poured Wall will have a representative look at the interior finish of the buildings and provide recommendations.
- Gate Actuator
 - Lansing Poured Wall will set a date for the actuator representative to come for the initial start up. Spicer will coordinate with Commerce for the controls set up.

3. Field Observations, Problems, Decisions

4. Soil Erosion and Sedimentation Control

- Soil erosions and sedimentation control issues were reviewed, discussed and addressed.

5. Staking Schedule

6. Miscellaneous

7. Questions/Comments

All meeting minutes are up at <http://www.carriercreek.com/minutes.htm> or on the Project Status Page in the PM section of the website.
